

**Elect
Randy**

JOHNSON

COUNTY COMMISSIONER, DIST.2
INDEPENDENT

Why I'm Running

I see a serious need for more unity in our community, and an absolute need for all of us to work together.

Collaboration is the key to resolving pressing issues for the benefit of everyone in Clallam County.

I will bring proven leadership skills to meet this challenge.

What I'll Do

- Make sure that our county government **works together** with other organizations on jobs and job creation.
Cooperative relationships should include the Port of Port Angeles, Tribes, Peninsula College, city governments, other governmental agencies and business associations.
- See that **infrastructure is in place** that helps businesses and the community's quality of life.
- Ensure **fiscally sound management** of the Clallam County budget that meets the needs of residents.
- Appreciate and provide support for **veterans' needs**.
- Facilitate the ability of Clallam County to receive its **rightful share of revenue** from county trust lands.
